

QUALIFICATIONS

- **PhD in Prosthodontics** - UNESP – São Paulo State University (Brazil) - 2009
- **Specialist in Prosthodontics** - General Dental Council UK - 2009
- **Specialist in Prosthodontics** - Brazilian Dental Council - 2006
- **MSc in Prosthodontics** - UNESP – São Paulo State University (Brazil) - 2005
- **BDS with Honours and Distinction in Endodontics** - UNESP – São Paulo State University (Brazil) - 2002
Maillefer/Dentsply Award – 1st Place in Highest Knowledge and Clinical Performance, Honors and Distinction prize in Endodontics of UNESP – São Paulo State University.

CERTIFICATE COURSES

- **Certificate Course in Implantology**, APCD – Dental Surgeons from Sao Paulo State, UNESP – São Paulo State University – Brazil, 2007
- **Certificate Course in TMJ Dysfunction and Orofacial Pain**, UNESP – São Paulo State University – Brazil, 2006
- **Certificate Course in Endodontics**, UNESP – São Paulo State University – Brazil, 2003
- **Certificate Course in Prosthodontics**, UNESP – São Paulo State University – Brazil, 2003
- **Certificate Course in Periodontics**, UNESP – São Paulo State University – Brazil, 2003

POSTS HELD

- **Clinical Lecturer in Prosthodontics and Endodontics** - Barts and The London School of Medicine and Dentistry, Queen Mary University of London - Feb 2010 - actual.
- **Associate Dentist** - Windsor Centre for Advanced Dentistry (Private Practice) - UK, 2008 – Actual
- **Principal** - Specialised Dental Centre (Private Practice) - Brazil, 2005 – 2007
- **Clinical Lecturer in the Certificate Course in Periodontics** - UNESP – São Paulo State University - Brazil, 2005-2006.
- **Clinical Lecturer in Complete Denture** - UNESP – São Paulo State University - Brazil, 2004-2005.

■ **Co-Founder and Clinical Lecturer in Maxillofacial Prosthesis** - Oral Oncological Clinic (COB), UNESP – São Paulo State University - Brazil, 2003-2007.

■ **Associate Dentist** - Specialised Dental Centre (Private Practice) - Brazil, 2003 – 2005

■ **Clinical Lecturer in the Certificate Course in Dental Aesthetic** - Dental Surgeons Association from São Paulo State - Brazil, 2003, 60 hours

■ **Clinical Lecturer in Removable Partial Prosthesis** - UNESP – São Paulo State University - Brazil, 2003.

■ **Associate Dentist** - Vitae Dental Practice (Private Practice) - Brazil, 2002 – 2004

LECTURER IN NATIONAL AND INTERNATIONAL CONFERENCES

■ November 2010 - 1 day hands-on course for DiscusDental “Modern Endo: Simplified and Successful”, Wakefield, UK

■ October 2010 - Speaker at the Week of Modern Dentistry “Interdisciplinary team approach and aesthetic excellence”, Minsk, Belarus

■ October 2010 - Endodontic Consultant for DiscusDental at the Dental Showcase, London, UK

■ May 2010 - Speaker at the British Dental Conference and Exhibition “Interdisciplinary versus a multidisciplinary team approach: achieving aesthetic excellence”, Liverpool, UK

■ May 2008 - Speaker at the 28th Academic Conference of UNESP “Evaluation of the Shore A hardness and colour alteration from soft liners after accelerated aging”, Brazil

PRESENTATION IN DENTAL CONFERENCES

■ Oral - “Evaluation of colour stability after accelerated ageing of two facial silicones pigmented or not” - 24th SBPqO - Brazilian Division of IADR (USA) Annual meeting (Brazil), September 2007

■ Oral – “Aesthetic and functional ocular rehabilitation” - 25th Academic Conference of UNESP (Brazil). May 2005

■ Oral – “Finger prosthesis: the art of reconstruction” - 24th Academic Conference of UNESP (Brazil). May 2004

■ Oral – “The importance of multidisciplinary treatment: a clinical report” - 24th Academic Conference of UNESP (Brazil). May 2004

■ Oral – “Study of the most frequent causes of ocular losses” - 24th Academic Conference of UNESP (Brazil). May 2004

- Oral – “The importance of the precocious retinoblastoma diagnosis in children” - 24th Academic Conference of UNESP (Brazil). May 2004
- Poster – “Influence of time, pigmentation and disinfection about the maintenance of dimension alteration and details maintenance of facial silicone” - 20th SBPqO - Brazilian Division of IADR (USA) Annual meeting (Brazil). September 2003.
- Oral – “Conventional orbital prosthesis – an option of rehabilitation” – X Clinic and Basic Research Conference of Head and Neck Cancer II Rehabilitation Congress of Patients with Head and Neck Cancer; Stomatology and Maxillofacial Rehabilitation Symposium (Brazil). June 2003
- Oral – “Prosthetic rehabilitation of total glossectomized patients”- X Clinic and Basic Research Conference of Head and Neck Cancer II Rehabilitation Congress of Patients with Head and Neck Cancer; Stomatology and Maxillofacial Rehabilitation Symposium (Brazil). June 2003.
- Oral – “Social welfare and dentistry” – 23rd Academic Conference of UNESP (Brazil). May 2003
- Oral – “Bioethical principles - evaluation of the elucidate consent in children's attendance” - 23rd Academic Conference of UNESP (Brazil). May 2003
- Oral – “Aesthetic prosthesis for laryngectomized patient” - 23rd Academic Conference of UNESP (Brazil)a. May 2003
- Oral – “Bilateral ocular prosthesis” - 21° CIOSP - International Dental Congress of São Paulo (Brazil). January 2003.
- Poster – “Evaluation of the influence of storage time, types of pigmentation 1% and action of chemical disinfection about the maintenance of dimension alteration and details maintenance of a facial silicone” - 23rd Academic Conference of UNESP (Brazil)a. May 2003
- Poster – “Evaluation of colour stability of facial silicones, either pigmented or not after accelerated aging” - 25th Academic Conference of UNESP (Brazil). May 2005
- Poster – “Esthetic rigid tracheostoma vents” - 2nd World Congress of the International Federation of Head and Neck Oncologic Societies, 8th International Congress on Oral Cancer e 1st International Symposium on Rehabilitation and Speech Therapy. Rio de Janeiro (Brazil) December 2002.
- Oral – “Evaluation of the root canal file use in an alternated rotation system” – 22nd Academic Conference of UNESP (Brazil). May 2002
- Oral – “Bilateral ocular prosthesis” - 22nd Academic Conference of UNESP (Brazil). May 2002
- Oral – “Facial rehabilitation with nasal prosthesis use” - 22nd Academic Conference of UNESP (Brazil). May 2002
- Oral – “Enlargement of the ocular cavity by means of temporary expander ocular prostheses” – 21st Academic Conference of UNESP (Brazil). May 2001
- Oral – “Ocular and auricular prosthesis: a case report” – 21st Academic Conference of UNESP (Brazil). May 2001
- Oral – “Ocular prosthesis in a baby in only two clinical appointments” - VII Academic Conference of Piracicaba – UNICAMP (Brazil). October 2000.

- Oral – “Ocular prosthesis in a baby in only two clinical appointments” - 20th Academic Conference of UNESP (Brazil). May 2000

POST-GRAD STUDENT ORIENTATION IN NATIONAL AND INTERNATIONAL CONFERENCES

- Poster - “The influence of disinfection and storage in the hardness “Shore A” of two pigmented facial silicones” - 24th SBPqO - Brazilian Division of IADR (USA) Annual meeting (Brazil). September 2007.
- Poster – “Evaluation of dimensional alteration, details maintenance and wrinkles of two facial silicones” - 24th SBPqO - Brazilian Division of IADR (USA) Annual meeting (Brazil). September 2007.
- Poster – “Evaluation of electrical activity of masseter and anterior temporal muscles before and after the new prosthesis insertion” - 24th SBPqO - Brazilian Division of IADR (USA) Annual meeting (Brazil). September 2007.
- Poster – “Influence of maxillary complete denture processing with different base thicknesses” - IADR 85th General Session and Exhibition New Orleans – Louisiana (USA). March 2007.
- Poster – “Tooth movement on complete dentures processing with different palate depth” - IADR 85th General Session and Exhibition New Orleans – Louisiana (USA). March 2007.
- Poster – “Cantilever’s application in partial fixed denture: clinical considerations” – III International Dental Congress of UNICAMP (Brazil). October 2005.
- Oral – “Evaluation of the acrylic resin hardness for ocular prostheses under the influence of the chemical disinfection and inclusion” - 25th Academic Conference of UNESP (Brazil). May 2005.
- Poster – “Evaluation of the acrylic resins bases unsuitability and hardness for dentures in function of polymerization and storage” - 25th Academic Conference of UNESP (Brazil). May 2005.
- Oral – “Study of the geriatric and non geriatric patient’s profile that are complete dentures prosthesis users in Santa Fé do Sul region”. - 25th Academic Conference of UNESP (Brazil). May 2005. (Student orientation).
- Oral – “The dentist paper in retinoblastoma multidisciplinary treatment” - 4th Academic Dental Conference of Brasília. Catholic University of Brasília – UCB (Brazil). May 2005.
- Oral – “Maxillofacial prosthesis – the forgotten therapeutic modality in academic environment” - 4th Academic Dental Conference of Brasília. Catholic University of Brasília – UCB (Brazil). May 2005.
- Poster – “Aesthetic and functional ocular rehabilitation” - 10th International Congress on Oral Cancer (Greece). Apr 2005.
- Oral – “Passive eruption: direct influence in aesthetic smile - 24th Academic Conference of UNESP (Brazil). May 2004.
- Oral - “Coronary marginal leakage after root canal obturation. In vitro study” - 17th Academic Conference of USP (Brazil). May 2004.

HONOURS / AWARDS

- 1st Place with Honours – Poster (Research) - "Evaluation of colour stability of facial silicone, either pigmented or not after accelerated aging". 25th Academic Conference of UNESP, 2005
- Honours – Poster (Research) - "Evaluation of the acrylic resin hardness for ocular prostheses under the influence of chemical disinfection and inclusion". 25th Academic Conference of UNESP, 2005
- Honours – Oral (Clinical) - "The dentist paper in retinoblastoma multidisciplinary treatment". 4th Academic Dental Conference of Brasília. Catholic University of Brasília – UCB (*Universidade Católica de Brasília*), 2005
- 1st Place with Honours – Oral (Clinical) - "Maxillofacial prosthesis – the forgotten therapeutic modality in academic environment". 4th Academic Dental Conference of Brasília. Catholic University of Brasília – UCB (*Universidade Católica de Brasília*), 2005
- 1st Place with Honours – Oral (Clinical) – "The importance of multidisciplinary treatment: a clinical report". 24th Academic Conference of UNESP, 2004
- 1st Place with Honours – Oral (Clinical) – "Finger prosthesis: the art of reconstruction". 24th Academic Conference of UNESP, 2004
- 1st Place with Honours – Oral (Clinical) - "Bilateral Ocular prosthesis". 22nd Academic Conference of UNESP, 2002
- 2nd Place with Honours – Oral (Clinical) – "Facial rehabilitation with nasal prosthesis use". 22nd Academic Conference of UNESP, 2002
- 1st Place with Honours – Oral (Clinical) – "Enlargement of the ocular cavity by means of temporary expander ocular prostheses ". 21st Academic Conference of UNESP, 2001
- 1st Place with Honours – Oral (Clinical) – "Ocular prosthesis in a baby in only two clinical appointments". 20th Academic Conference of UNESP, 2000
